

Vote **NO** to **Annexation**

THE FACTS

- Increases size of Bryant by almost 200% (or 11,000 acres)
- We will need **33 more employees** for the new area:
 - 11 new police officers, 18 new firefighters, 2 new animal control officials, 2 new laborers
- Requires the city to build **2 new police/fire stations immediately**
- May increase emergency response time for new and existing Bryant residents for several years if not forever.
- Last flooding shows Bryant already struggles to serve existing residents
- Property, Federal and State turnback dollars will not be collected for two years or more
- According to the City Officials ***“the area will be a challenge to code enforcement, animal control, and police”***

Bryant Mayor Larry Mitchell April 9, 2008, courtesy KATV Channel 7 News:

“We’re a small town, yes, who doesn’t have the money to go in and do that (fix flooding) all at once.”

It is time to *take care of Bryant First.*
